STAFF PICKS

Check the newsletter each month for new staff recommendations!

Bridget: *The Pioneer Woman: Black Heels to Tractor Wheels* by Ree Drummond: "The cute and funny life story of Food Network's Pioneer Woman that you won't want to put down."

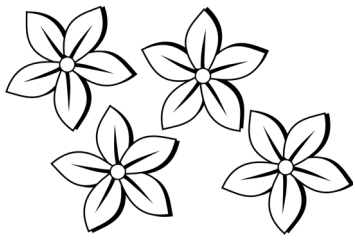

Chris: *The Underground Railroad* by Colson whitehead "This novel tells the story of a young slave who flees her Georgia plantation via the Underground Railroad which in this novel is an actual subway as opposed to a series of secret routes. Whitehead's novel provides excellent commentary on race in both the past and present United States."
