## STAFF PICKS

Check the newsletter each month for new staff recommendations!

**Diane:** *Best. State. Ever. A Florida Man Defends His Homeland* by Dave Barry "It is a very funny look at the eccentricities and foibles of Floridians."

**Heidi:** *Tribe: On Homecoming and Belonging* by Sebastian Junger "A quick read, this book has insightful ideas about the role of community in modern society."

**Hillary:** *The Twelve Lives of Samuel Hawley* by Gina Tinti "A fantastically crafted novel about a father and daughter trying to put down roots after more than a decade on the run."

**Sarah:** *I'd Die For You* by F. Scott Fitzgerald: "All of these stories were previously unpublished. Not every one is destined to be a new classic, but there are numerous examples of brilliant thought and writing. This new book is a chance to see a different side of Fitzgerald."

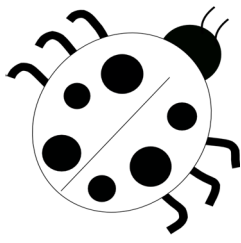

## LIBRARY LAUNCHES
